Report of Stipulations

A status conference with regard to the above-noted Dockets was held on Tuesday, August 21, 2018 at 9:00 AM. Participating were K Chad Burgess, Esquire, Matthew W. Gissendanner, Esquire, Mitchell Willoughby, Esquire, Robert Guild, Esquire, Emily W. Medlyn, Esquire, Robert E. Tyson, Esquire, Christopher S. McDonald, Esquire, James N. Horwood, Esquire, William C. Cleveland, Esquire, John B. Coffman, Esquire, Richard L. Whitt, Esquire, Carmen Harper Thomas, Esquire, Jenny R. Pittman, Esquire, Wade Kolb, Esquire, Frank R. Ellerbe, III, Esquire, William T. Dowdey, *pro se*, and F. David Butler, Hearing Officer.

The Hearing Officer announced that the Conference was being held under the provisions of 10 S.C. Code Ann. Regs. 103-839.

K. Chad Burgess, Esquire, representing SCE&G, stated that it was not the Company's intent to run afoul of any Orders issued by the Commission. Mr. Burgess noted that the Company had reevaluated its positions on ORS Discovery Requests related to the Bechtel report and related materials. The Company searched materials in its possession, and expanded some of the "search terms" provided by ORS. The Company provided Bechtel materials to ORS on August 20, 2018, with two exceptions: 1) documents were provided through July 31, 2017, with documents after that being entered into a revised privilege log where appropriate; 2) documents related to other matters for which Bechtel was engaged were not provided, example: environmental matters.

Mr. Burgess stated a belief that SCE&G has acted in good faith and actually produced more Bechtel documents than had been requested by the Office of Regulatory Staff ("ORS"). Mr. Burgess reiterated that SCE&G did not intend to run afoul of any directive.

With regard to documents related to ORS Request 5-26, including certain analyses, various documents were removed from the privilege log and provided to ORS on August 20, 2018.

ORS attorney Wade Kolb affirmed receipt of the documents noted by Mr. Burgess. Kolb stated that ORS was presently reviewing the documents and requested, on behalf of ORS, that the Motion for Sanction and Motion to Compel regarding Bechtel and Request 5-26 be held in abeyance at this time.

SCE&G attorney Burgess also requested that the latest SCE&G Motion for Leave to File Revised Privilege Log under Seal, which is dated August 17, 2018, be held in abeyance also, at this time.

This concludes the Report of Stipulations required by 10 S.C. Code Ann. Regs. 103-839. The parties have ten (10) days, or until Friday, August 31, 2018 to raise objections, or the report is deemed approved under the Regulation. Additions or corrections to names of participants in the conference call will be welcomed, if needed.
